

AFFIDAVIT IN ANY FACT

THE STATE OF TEXAS
COUNTY OF DALLAS

BEFORE ME, Mary Patton

a Notary Public in and for said County, State of Texas, on this day personally appeared _____

John F. McRae, Dallas Police Department

Who, after being by me duly sworn, on oath deposes and says: When testifying before the President's Commission, I stated I did not remember who returned the two spent 6.5 hells and envelope to my possession on the night of November 11, 1963. Since returning to Dallas Detective D. W. Mority has called my attention to the fact he brought the three hells in the envelope to me and asked me to check them again for fingerprints ever though I had checked them when they were picked up on the sixth floor of the Texas School Book Depository about 1:15 pm November 22, 1963 by Detective J. J. Jim and myself and placed in a manila envelope. Since talking to Mority I remember now that he and the other returned the shells to me about 10:00 am and stated that his office wanted to retain one. He left me two shells and the envelope that Detective Jim and I had previously marked. It was then that I scratched my name on the two shells that were released at 11:40 pm to Agent Vince Brain along with the rifle and other evidence.
